Dear Mr. Cohen:

Thank you for your recent letter dated November 8, 1973 requesting additional information on the rezoning of the Boca Teeca Golf Course to REC (Recreation).

This petition was initiated by the Planning and Zoning Board prior to the recent action of the Boca Raton City Council, which accepted a total Land Use Master Plan for the Boca Teeca property.

In this Master Plan, accepted by the City Council, the Golf course area will remain in perpetuity a golf course

Therefore, in light of the above actions taken by the City Council, no further action will be taken on the petition of the Planning and Zoning Board.

Very truly yours,

PLANNING AND ZONING DEPARTMENT
